The Ministry of Home Affairs had convened a meeting on 8-4-1996, to review the measures taken to prevent crime, robbery and docoity in the trains. Ministry of Railways has suggested an 'Actional Plan' in the meeting. This Actional Plan and other suggestion were communicated to the State Governments for taking appropriate action.

(b) and (c) The Ministry of Railways had subsequently called a joint meeting of Chief Security Commissioners of all Zonal Railways and all State Government Railway Police Chiefs in September, 1996 to discuss the strategy to check crime on railways. Further a joint
meeting was held in August, 1998 attended by the then Minister for Railways (MR.). The M.R. also convened a meeting of Chief Secretaries and Directors General/Police of all State Governments and RPF officials in January, 2000.
